Summary:

Key Facts: The Sandur Manganese and Iron Ores Limited filed a writ petition against the Deputy Conservator of Forests, Principal Chief Conservator of Forests, the State of Karnataka, and the Union of India. The petitioner sought to quash communications dated 20.06.2025, and to direct the respondents to execute supplementary Forest Lease Agreements. The petitioner was granted mining leases and forest clearances for manganese ore and iron ore, which were renewed several times.

Court Decision: The court pronounced its order, but the exact decision is not specified in the provided text. However, the court considered the petitioner's requests to quash the communications and to direct the respondents to execute supplementary Forest Lease Agreements.

Required Action: The respondents are required to execute supplementary Forest Lease Agreements in favor of the petitioner, extending the term of its existing Forest Clearances. The respondents are also restrained from demanding new or additional compliance, claiming additional charges, or interfering with the petitioner's mining operations till 31.12.2033.
